Date: September 3, 2010

As per my phone conversation with Michelle Mayer on Wednesday, September 1, I would be interested in serving on a town advisory committee for this coming year.

My husband and I have owned property on the beach since 1986 and I have lived here as a permanent resident since December, 2008.

A little bit of background would include:

Education: MA in Spanish Literature, New York University
BA in Spanish, Douglass College (Rutgers University, New Brunswick, N. J.)

Work Experience: Have worn many hats in my working career: Nursery School Teacher, owned and operated my own Hallmark Gold Crown Store for 10 years in Madison, New Jersey, was an Assistant Manager in a Pier 1 store in New Jersey and transferred down to Ft. Myers Beach as an Interim Store Manager with Pier1. I have worked at Bloomingdales and H. Stern Jewelers in New York City. I have just passed my state exam to qualify me as a licensed real estate sales associate in Florida, and am seriously considering going into that field in the near future.

Volunteer Experience: Chatham Township Presbyterian Church (New Jersey): Christian Education Committee, Moderator of the Women's Association, Sunday School Teacher and active in (Director of for one year) the Church's Vacation Bible School. Active in the PTO of Southern Boulevard School. Member of the Chatham Township League of Womens' Voters.

Personal: Widow, mother of two children: Sarah, who currently lives in Japan with her husband Luke, who is in the US Navy and son, Kevin, who currently lives and works in Boston.

Given my background and experience, I leave it up to the members of the Town Council to decide where I may best be put to use....Please take into consideration that if I do decide to become active in Real Estate, I would not want to be involved in any activity that could be construed as a "conflict of interest".

I hope to be able to serve and be of good use.

Hello and thank you for the opportunity to volunteer for the openings in the upcoming advisory committees.

1. Community resource advisory board
2. The local planning agency

Thanks again, simply I've lived here on the beach at two different locations 281 Primo Drive and now 501 Palermo Circle and have become a very concerned citizen throughout my 20 years of living on the beach. My wife and I own two different businesses one here on the beach, Full Scale Builders, a now local construction company building new homes and remodeling which we started in New York in 1979. Also a 50% owner in a business on Pine Ridge. I feel now I have the time to devote for the well being of our town and community.

Sincerely,

Mark Ludvigsen

Dear Members:

I would like to serve as a volunteer on one of our town's committees. I would prefer to serve on the Community Resource Advisory Board, but I am open to other committee needs.

I have been a property owner here since 1999 (*now owning two properties here on the Beach*) and have been a permanent full-time resident since 2004 when we relocated from Illinois. In Illinois, my husband and I owned a highly successful bicycle and fitness retail store for 25 years. I am also a full-time administrative professional currently working in Fort Myers for a custom boat manufacturer. My hobbies include boating and bicycling.

I really enjoying living on the Beach and would like to take a more active role in enhancing the quality of life here. I appreciate the contributions that previous committee members have made and would like to continue to build on their success.

Thank you for your consideration.

Best regards,

Pamela Koch

To: Fort Myers Beach Town Council
c/o Michelle D. Mayher, Town Clerk

I am interested in applying for a position on the Community Resources Advisory Board (CRAB).

I attended the Beach Leadership Conference in May, 2010, which I thoroughly enjoyed and found extremely informative. I am presently attending the LeeGrows program, as well as CERT training. I also volunteer at the library each week.

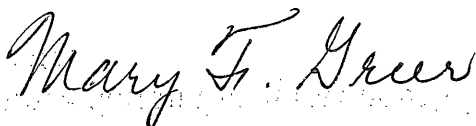

I purchased my condominium on the beach in 1993, and it has been my only home in the United States since that time, though I was based in Africa until December 2009. Since 1993 I have spent six weeks here each summer, as well as Christmas holidays. I am now living here permanently.

Now that I am here full time, I am eager to give back to the Beach in appreciation for the wonderful experiences I have had here over many years.

A very brief resume is attached. If you want further information and references, please feel free to contact me at:
